

### Debbie Collins' Follow Up After NCARPO Quarterly Meeting:

Thank you also for your assistance in our Strategic Plan and Statewide Locally Coordinated Plan (LCP). Please look for an information request on the LCP soon.

I also wanted to follow up on a few items you requested.

1. Training General
  - a. Training module we share with new employees to frame FTA funding - [FTA 101](#) – AASHTO is funding an update soon
  - b. New director training – offered 2 times per year – with a companion on procurement (attached)
  - c. PTD Training conference – presentations are here – [2017 PTD Conference](#) - Opioid, Active Shooter and Human Trafficking are general sessions and ones you might want to view - thank you Dana and James for participating with us – we are happy to partner Sept 24-26 2018 on topics you would like included
2. Training for RPOs - we have developed and offered a fundamentals of demand response transportation because we could not find training fitting our needs – the National Transit Institute curriculum rotates on a long schedule and is focused on urban policies. We pair 6 webinars as follows: Policies and Practices & Service Delivery Methods; Basics of Scheduling & Basics of Dispatching; Understanding Billing & Using Your Data. These are offered at least 2 times per year and you are welcome to attend. We will work on creating a training set for you. If you think something is missing, please let me know
  - a. Introduction to transit and funding - new
  - b. Service Delivery Methods and Understanding billing- existing but appropriate
  - c. Building Deviated Fixed Routes - new
  - d. Building Connected Services for ConCPT grant funding - new
3. TIGER Grant – PTD is committed to looking at every funding opportunity to support our transit systems. TIGER is a competitive grant and we feel good about our application – [2017 TIGER Grant](#)
  - a. Please note there are **no guarantees** we will be successful. In light of the timing of the STI scoring and this grant, please proceed with your STI scoring on these projects as if there is no funding for these projects. Thank you for assisting in getting them into STI.

Thank you Ann for posting the presentation. I hope I captured everything in the follow up. Please let me know how we can support you.

Thank you!
