

## Hotel and Activity Information

(from Patrick Flanagan, Planning Director  
Eastern Carolina Council and NCARPO Chair)

We do not have a special block of rooms, as that would increase the cost of the room by about \$30 a night. The Hampton Inn, which will serve as the primary hotel, currently has rooms available October 29<sup>th</sup> and 30<sup>th</sup> under the State Government Rate for \$67 a night. If the Hampton Inn fills up, the Comfort Inn will be the secondary hotel. They also have the State Government Rate available for \$70 a night.

We have arranged for Beaufort Area Transit to provide transportation for everyone to and from the hotels and meeting, as well as to the Thursday morning activities and Thursday evening dinner downtown. On Thursday morning, we will be taking everyone on a guided boat tour along the Pamlico River, including a tour and informational presentation on the recently constructed Highway 17 Bypass over the river. As we will likely have to make two boat trip tours to fit everyone, we ask that all those who want to take the boat tour, please let Justin know via e-mail: [joakes@mideastcom.org](mailto:joakes@mideastcom.org). In addition to the boat tour, we will be hosting a walking tour of the historic downtown waterfront district. While one group is out on the boat tour, the other group will be on the walking tour. There are numerous locations in close walking distance for lunch between the boat/walking tours and the start of the meeting that afternoon.
